Section 1: Introduction

1.1 A Welcome Note from Green Diamond Resource Company

Welcome competitors to Green Diamond Resource Company's private working forestlands in Washington State. Green Diamond harvests patches of forestland each year to provide wood products to a worldwide marketplace. At the same time, these working forests protect clean water and soil, sequester carbon while producing clean air, provide habitat fish and wildlife, and, of course, give us open space for recreation. Enjoy!

1.2 Welcome to 2023 Olympus

The 2023 Olympus Rally is concurrent with the 2023 Olympus Regional Rally. Changes to these Supplementary Regulations, to the operation of the rally, the route book, or any other official document by the Clerk of the Course or Stewards listed will be via numbered and dated bulletins issued by the Organizers at Sportivity App.
