Effective Date Change for Technical Rules 2.3.5 Updates

The changes to RTR 2.3.5 in Bulletin 2020-7 will be effective June 1, 2021 with the current (2019) RTR 2.3.5 in place until that time. These adjustments will be noted in the 2021 Technical Rules.

Rationale: Adjust the effective date to allow competitors time to select, purchase and install an authorized system to bring the vehicle into compliance with fire safety rules.
